REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: Simons et al fail to show applicant's picture manager; galleries to maintain the clip-art pictures; gallery folder that stores the gallery of clip-art pictures in the phone's memory. neither does Simons et al disclose a picture editor that will enable a user to edit an existing picture and will communicate with a picture editor of another wireless terminal and allowing another user of the other terminal to participate in the drawing of the picture already being created; neither does Simons et al teach that each gallery has two clip-art pictures in it. No obvious combination of references found would teach one of ordinary skill in the art to make and use applicant's invention as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Creighton h Smith whose telephone number is 308-2488. The examiner can normally be reached on M-F.
